-77kg: Errol Koning vs. Murthel Groenhart:

Murthel Groenhart wins by Majority Decision (4-1). Groenhart's hands and pressure were the difference in the fight. In the 3rd round he took over, backing Koning up and solidifying the win.

-95kg: Marco Vlieger vs. Revanho Blokland:

Revanho Blokland wins by Unanimous Decision. Blokland outworked Vlieger the whole fight. Vlieger just didn't open up enough and went into a shell for large portions of the fight.

-73kg: Hafid el Boustati vs. Piotr Woznicki:

Hafid el Boustati wins by Unanimous Decision. Complete domination.

-95kg: Danyo Ilunga vs. Nenad Pagonis (It's Showtime 95MAX World Title Fight):

Danyo Ilunga wins by TKO (Referee Stoppage) in Round 4. Ilunga dropped Pagonis with a huge right hand. Pagonis got up but was noticeably out on his feet and Ilunga swarmed him, forcing Pagonis to get a standing count and the fight was waved off.

-70kg: Rafal Dudek vs. Michal Glogowski:

Rafal Dudek wins by Majority Decision (4-1) in an Extra Round. Great fight, Glogowski controlled round 1, Dudek got round 2. Round 3 was even and it went to an extra round where Dudek edged it out in the last minute.

Heavyweight: Daniel Ghita vs. Erhan Deniz:

Daniel Ghita wins by KO (Left Hook to the Body) in Round 2. The first round was surprisingly close as both men went back and forth. Ghita was given a count from what looked like an accidental headbutt so all of a sudden Ghita was actually down on the scorecards. By the

second round, Deniz was worn down and Ghita came out and punished him to the body, dropping him with a left hook to the liver and a high kick while Deniz was on the way down that caused a huge cut.
