

After the last minute change of not only venues but continents, Muay Thai Mania Yokkao 5 went down without a hitch yesterday in Thailand. The event would have been considered a success even if it wasn't moved on one week's notice, but it really is amazing to look at how they had to move the entire event from Europe to Thailand that quickly and that everything went smoothly. The main event saw a bout between Saenchai and Singdam with both guys trying to win the KO bonus, but Saenchai was just overwhelming and won by points.

- Saenchai MuayThaiGym won by points vs Singdam Kiatmoo9
- Sinsamut Sor Klinmee won by points Kom Kop Pechthroungrang
- Andrea Masini lost by KO (2nd round) Crice Boussoukou
- Ekapop Sor Klinmee won by KO (1st round) vs Samuel Andoche
- Iwmiset Pornnarai won by points vs Suedam Kauanjai
