The S-Cup 2012 may have come and gone, but chances are that you haven't seen it yet. Well, that is about to be remedied by your favorite resource for Kickboxing and Muay Thai on the internet; LiverKick. Thanks to the magic of the internet you can watch the entire event from the comfort of wherever the hell your computer is right now. How about that?

Thanks to YouTube User kkkwwwaaakkk and AndyJeezy for the heads up.
