The fight card for Yokkao Extreme 2013 is starting to shape up, with Saenchai vs. Diesellek Aoodonmuang and Kem Sitsongpenong vs. Jordan Watson already being announced, as well as Andy Souwer vs. Dzhabar Askerov being the main event.

Today Yokkao announced a new match-up, as Houcine Bennoui fights Yokkao-sponsored fighter Imwiset Pornnarai. The fight will be 65kg under full Muay Thai rules.

Houcine Bennoui returned to action this year after a long layoff in June where he stopped Manuel Umberti. Since and including then, he's 2-2 in 2012, going 1-1 against Singmanee Kaewsamrit. Bennoui is also scheduled to fight in the Krush 67kg tournament on January 14.

Imwiset fought at this year's Yokkao Extreme in January, where he defeated Angelo Campoli.
