As we saw earlier this week from tweets from Yodsanklai as well as Tiffany Van Soest, Lion Fight 10 is going down on July 26th live on AXS TV at the Joint in the Hard Rock Casino in Las Vegas. The show is to be headlined by Yodsanklai against a still-unnamed opponent with a co-headliner of a big fight that we learned of from Kevin Ross before his last fight, where he'll take on Matt Embree. On top of that, Tiffany Van Soest will fight for the Lion Fight Bantamweight Title against Lucy Payne and we'll also see fights from Joe Schilling, Malaipet Sasiprapa and Ognjen Topic.

The last few Lion Fight events have been stacked cards and have helped to usher in a new era of Muay Thai awareness and fandom in the United States with Lion Fight 10 looking to do nothing different and keep delivering quality fights for fans.
