Lion Fight 11 goes down TONIGHT! Yes, that is 100% accurate; Lion Fight 11 goes down tonight, live on AXS TV at 10PM eastern time in what will be a huge night of Muay Thai action. The main event is Cosmo Alexandre vs. Nampon, while Kevin Ross vs. Tetsuya Yamato and Cris Cyborg vs. Jennifer Colomb. All of this goes down on free television here in the United States, so I don't want to hear a single complaint from anyone.

Here are last night's weigh-ins in full, video format for your enjoyment.
