## Watch the Glory 6 Istanbul Pre-Fight Press Conference

Glory 6 Istanbul is rapidly-approaching and I assume that you've already plopped down your \$20 here on LiverKick to watch it

, right? If not, you really probably should because Daniel Ghita vs. Gokhan Saki is one of the biggest Heavyweight battles that the sport of Kickboxing can produce. If you aren't hyped up enough as it is, take a moment out of your day (more like an hour) and sit bit with some sort of fine beverage (I have a coconut water, but I don't blame you if you don't like it) and watch the Glory 6 Istanbul press conference.
