Undercard bouts being aired via free stream are a somewhat new phenomenon that has manifested itself within the world of Mixed Martial Arts. We see this a lot with the UFC and now a lot of other promotions have followed suit. It is a way to give fans more fights to watch for free and to help to sway them towards purchasing an event on PPV or just continuing to watch the show as it goes on. GLORY is going to be following suit as they will give away three free fights this weekend at GLORY 10 Los Angeles.

The fights will start at 6:30PM Pacific time on Saturday and go down on [GLORY's Facebook page](#). The fights that they are giving away are actually pretty awesome fights at that!

- Johan Fauveau vs. HINATA
- Randy Blake vs. Brian Collette
- Albert Kraus vs. Ky Hollenbeck
