This past weekend's GLORY 10 event featured a few key Lightweight fights in the GLORY hierarchy, just how important they were wasn't officially revealed but implied, but now we know for sure what to expect on Saturday, November 23rd in New York as GLORY's Lightweights are set to take the stage. The GLORY 12 Lightweight tournament was always going to featured Giorgio Petrosyan, the consensus #1 at 70kg (GLORY's Lightweight), but the rest were up in the air.

Andy Ristie's win over Niclas Larsen secured his spot within the tournament, as did Davit Kiria's big win over Murthel Groenhart. Robin Van Roosmalen was able to keep his spot secure with his win over Shemsi Beqiri as well. So without further ado, here are the GLORY 12 Lightweight tournament match-ups.

- Giorgio Petrosyan vs. Andy Ristie
- Robin Van Roosmalen vs. Davit Kiria
